## CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The vision of the institution is to establish itself as a centre of excellence, generating and imparting knowledge. It intends to empower girls through quality education and meaningful learning process. The governance of the institution is reflective of an effective leadership in tune with the vision of the college. The head of the institution conducts administrative and academic activities along with staff council, IQAC and Janbhagidari committee of the institution. All teaching and non-teaching staff of the institution work in tandem with the head of the institution. There exists a system of decentralization and participative management in the college in the beginning of the session 201819, a meeting of staff council was convened. In this meeting all staff members, teaching and non teaching were present. In this meeting all academic, non academic, administrative and other activities were distributed among teaching and non teaching staff. All staff members rendered their assignments sincerely. The head of the institution, the principal, coordinated all activates of different committee of the college. In matters related to development, all decisions are taken through committees through consultation and discussion.

#### 6.1.2 – Does the institution have a Management Information System (MIS)?

#### 6.4 - Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

There is an internal financial audit system in the institution. An assistant professor-in -charge is appointed to examine and supervise audit books and files of the college. The admission and examination fees of students are collected on-line. the scholarships given by the government is deposited in the personal bank accounts of beneficiaries,, namely college students. All these are entered and maintained in office books which are regularly checked by concerned in -charge.Likewise, all amounts like, salary, allowances, bills of purchased equipments and furnitures are entered into office accounts books of the college and the concerned in-charge regularly checks those entries. On occasions, the departmental auditors of higher education chhattisgarh, visit college and check and audit accounts and other documents of the college. The accountant general od Chhatisgarh also sends its auditors to check and audit institutional accounts and expenses and others. The collected fees and charges determined by the Janbhagi samittee are spent on development activities of the college decided in the janbhagidari committee meet is audited by an independent audit agency. Thus an internal and external financial managament system operates in the institution.

#### 7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Paperless office practice is maintained by providing circulars and notices by whtsap group and maintaining scan copies for circulations however one or two hard copies are maintained for office filing. Green landscaping with trees and plants: The college campus have many shaddy and fruit bearing trees like tamarind, gulmohar, neem, acacia, jamun, bel,zizhpus, carandus, mulbery, jackfruit jharul and champa, ashoka etc some are planted some are naturally grown in the land and later maintained by collge. a small karma vatika surrounded by boundary wall was developed as oxyzone of the college.

#### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

Best Practices implemented in 2019-20 1. Pranayam Meditation 2. Library Blog. 3 plantation of birthday of faculty and guest arrival green practices: cycling for students. thought of the day was notified by one student everyday on college notice board. Title of the practice: Daily Meditation and Prayanam Session. Objective of the practice - the main motive behind this practice was to educate students about importance of physical and mental well being. College students feel anxious and stress while trying to juggle new college life, new friends, parents, society and peer pressure and some time they bounce back negatively which can be observed as depression in their academic performance and indulgence in bad habits. The Practice: - The practice was initiated day the college administration for students in November, 2017. The college time table was modified to incorporate a 10 min meditation session which include Anolom- Vilom, Kapalbhati, Bhrastika Pranayam, Bhramri and Dhyan for 2 min each. The session starts will single bell at 12:00 noon and students perform the activity in their own class under the guidance of teacher and a volunteer (preferably from their own class). Annually small workshop was organized in the beginning of session to train the newcomers of the college and refresh the elder students. From July 2019 central audio facility has been initiated. Context Prayanam is not a simple breathing excercise but it is a scientific process of controlling the breath to connect physical and mental aura. It is one of the most important vital components of yoga that directly and indirectly affects the process functioning of different systems of the body. As per the documents Page 75/80 17-08-2019 06:48:06 Self Study Report of SHASKIYA MATAKARMA GIRLS COLLEGE MAHASAMUND available regular Pranayam shows beneficial impact on respiratory system, cirulatory system and endocrine system. It ensures more oxygen to lungs which is good for heart and brain. Prayanam can be practiced at any place that is well ventilated, clean and free from external disturbances and at least 1 hour after meal. Prayanam is usually practiced while sitting on a mat on clean floor but can also be done while sitting in a chair. The major benefits of exercising Prayanam is It controls and makes blood circulation smooth. Helps in weight regulation. It provide lightness to the body and act as disease destructor by boosting immunity. Prayanam helps in lungs expansion there by improves its efficiency and vigor. It brings stillness and calmness to the mind increased concentration and stability of mind Help to ease stress, anxiety and tension it also helps to ease depression, dullness and lethargy. Evidence of success: - After the implementation of this practice we noticed that student feel calmness and focuses better in studies. Problem encountered and resources required The first problem encountered with this idea was how to train students for yoga practices. Second problem how and when this practice can be incorporate in their daily routine. Third and foremost important hurdle was how to motivates students and involve fully in this session. As far as resources are concerns the college needs at least a part time yoga instructor and a physical facility like mike, Dari and sound system. Initiatives taken to address the above problems: Training program was organized to train students and faculty to overcome the first problem. A ten minute short period was added in time table to practice meditation and Pranayam. The student

```
accepted the idea and involve volunatrily in the activity. Mike and sound
    system was purchased from the fund recieved. 1. Title of the second best
 Practices Use of social media for Digital Library Services and Social Value.
  1. Objective of the practices 1. To create college library blog and facebook
page http://www.matakarmalibrarian.blogspot.in/ https://www.facebook.com/Govt-
 Mata-Karma- Girls-College-Mahasamund-494180280944884/ for Digital collection
     2.To introduce social media among students and readers for knowledge
  enrichment. 3.To enhance digital collection of books to the college library
 resource with the help of internet. Page 76/80 17-08-2019 06:48:06 Self Study
   Report of SHASKIYA MATAKARMA GIRLS COLLEGE MAHASAMUND 4.To acquaint the
  students for using the digital library service. 5. Sharing social value and
   general awareness information knowledge by the means of social media and
improving social value. 6.To provide link of e-PG Pathshala and NSDL (National
  Digital Library) and also acquaint the student. The Context - It is being
  observed that present generation is spending more time on social media like
   facebook, whatsApp, Messenger and instagram rather than spending time on
studies interface they keep themselves devoid of knowledge and social awareness
 and deviate from aim in life. Ironically they are already addicted to social
 media before they realize their faults which is not less than an addiction in
 present times, this lead to showing downfall in their grades, carrier goals .
 The main purpose to begin this practice by library is to divert students from
this fake world of selfies and likes addiction toward positive addiction where
 they are motivated to share knowledge, science and general awareness. Social
media has negative effects but on the other hand it can be a powerful resource
    for knowledge enrichment. The purpose is to use this power to enlighten
students and youth so that they can leads to right direction in their life and
  only the families, our society and country can lead to right direction in
   future which is the ultimate purpose of an education institution. 4. The
  practice: 1. The college administration wanted to motivate students toward
  digital literacy but due to lack of computer lab and internet facility at
  college this seems almost impossible. The college librarian Mr. Ajay Kumar
    Shrivas came with an idea to create and handle college digital platform
 successfully in form of Blog http://www.matakarmalibrarian.blogspot.in/ that
 was created on 5 June 2018 and face book page https://www.facebook.com/Govt-
 Mata-Karma-Girls-College- Mahasamund-494180280944884/ for Digital collection
 was created on 22/07/2017. Every day post related to General knowledge under
   title knowledge dos is being hosted on library blog and facebook account.
   2. Social value related post are being hosted which are found from social
medicals, newspaper and other success. 3. Students and staff can use this blog
24X7. Evidence of success - 1. When these accounts have been launched on social
platform a number of our students have joined the group and voluntarily started
to share good information among them. 2. The college administration for further
    motivation planned to organize a general awareness exam. This exam was
conducted as a MCQ type General knowledge Competition in which 68 students have
participated and 10 toppers were awarded on annual function day of the college.
 3. This Free of Cost Blog has served dual purpose of providing digital library
   service and also news updates of college activities in time when our old
   website was crashed due to shortage of fund. 6. Problem Encountered and
Resources Required Page 77/80 17-08-2019 06:48:06 Self Study Report of SHASKIYA
MATAKARMA GIRLS COLLEGE MAHASAMUND 1. The first major problem was how students
which are belonging to poor families can afford smart phones. 2. Second was how
  to provide internet facilities for students so that they can visit digital
platform. 3.And third how to motivate students for using this digital platform
for knowledge sharing. These problems got an answer when the state government
has launched Sanchar Kranti Yojna (SKY) to facilitate people with smart phones
  to remove digital inequality among citizens of rural and low economic urban
background, under this program 285 students of our college has also got smart
phones. Free Wi-Fi facilities at college were launched under Government NMECIT
```

program has helped to provide internet facility for students. The constant motivation by our faculty and librarian has inspired our students to join the group and use the facility for knowledge sharing
